Yacht Cradles

Motor Boat Stands & Dollies

Our standard Beaching Yacht Leg Systems are supplied and priced in pairs, complete with all the necessary parts and fittings to complete the installation. The main footplate lines are offered separately (see below) as owners may wish to supply their own. For vessels from 9 tons - 25 tons heavy duty fittings for the legs are available.

Legtype	Metres	Feet	No. of sections per leg	Stowed length	Weight per leg		Max. weight of vessel	Price per pair £ inc. VAT
				metres	kg	lbs	tons
